Tips

If you wish to bookmark the SciFinder login page, click on Bookmark this page while the login page is displayed. You will need to edit the bookmark so that only the "base URL", <http://scifinder.cas.org>, is saved in the bookmark.

If you receive a message, "all resources are in use....", when you login to SciFinder that means that all of your institution's licensed seats are being used by other SciFinder users at your institution. Wait a few minutes and try again. If the problem persists, contact your institution's SciFinder administrator or librarian (your library's web site may have your SciFinder administrator or librarian's contact information).
